CCHD to Offer Bivalent (Omicron) COVID-19 Boosters

Plattsburgh, September 13, 2022. The Clinton County Health Department (CCHD) has scheduled clinics to distribute the updated bivalent (Omicron) COVID-19 booster dose. A bivalent COVID-19 booster will help residents maximize their protection, prolong the vaccine’s durability, and safeguard our community against the virus.

Residents ages 12 and older are eligible for a Pfizer-BioNTech bivalent booster. Residents must be ages 18 and older to be eligible for a Moderna bivalent booster. Both types require that it be at least 2 months since the previous booster dose or 2 months after completing the initial primary vaccine series.

Residents can register for these clinics by visiting www.clintonhealth.org/covid19vaccine and selecting an available date and time slot.

CCHD’s current bivalent COVID-19 booster vaccination schedule is as follows:

- **Thursday, September 15, 2022. 1:00 pm to 4:00 pm.**
- **Tuesday, September 20, 2022. 2:00 pm to 5:00 pm.**
- **Thursday, September 22, 2022. 1:00 pm to 4:00 pm.**

Clinics will be held at the YMCA (former CVPH Wellness Center) located at 295 New York Road in Plattsburgh.

About the Clinton County Health Department:

The Health Department is an accredited full service department serving the residents of Clinton County. The Health Department’s Mission is to improve and protect the health, well-being and environment of the people of Clinton County.
