\* Owners/Operators of multiple Public Water Supplies that are required to pay an Annual Public Water System Registration fee qualify for a fee reduction. The total fee amount will be calculated by charging full price for the first Public Water Supply (in the case of population based fees, the highest dollar amount fee applies) and then a reduction of 50% will be given for each additional Public Water Supply's fee amount. A maximum amount from an entity (Owner/Operator) will not exceed \$500.

\*\*All permit applications are required to be submitted at least 30 days prior to operation date. If submitted less than 30 days, CCHD cannot guarantee permit issuance prior to operation date.
